4. How TO - Cards

```
.content {
  padding: 18px;
  display: none;
  overflow: hidden;
  background-color: #f1f1f1;
}
.card {
  box-shadow: 0 4px 8px 0 rgba(0,0,0,0.2);
  transition: 0.3s;
}
.card:hover {
  box-shadow: 0 8px 16px 0 rgba(0,0,0,0.2);
}
.container {
  padding: 2px 16px;
  background-color: white;
}

<div class="card">
  
  <div class="container">
    <h3><b>Ruby Jean Solomon</b></h3>
    <h1>Hello, everyone! I am Ruby, an 18-year-old individual. Currently, I am a first-year student pursuing a Bachelor of Science in Computer Science at the esteemed University of Southern Mindanao.

    In the face of the unique challenges presented by the past year, I discovered a profound love for photography. For me, capturing moments through my lens has evolved beyond a mere hobby—it has become a powerful form of self-expression, allowing me to discern beauty in the ordinary.

    In conjunction with my academic pursuits, I am pleased to announce that I provide photography services at the most competitive and affordable rates. Photography, to me, is not just an art form but a means of making cherished moments accessible to all. I invite you to join me on this dual journey of academic and creative exploration as I delve into the world
```

of computer science. My continuous endeavor is to refine my skills and transform fleeting moments into enduring memories through the lens of my camera.

I welcome you to immerse yourself in my visual narrative, offering a unique perspective on the world. Explore the artistry, derive joy from the details, and accompany me on this captivating journey.</h1>
